Honor Someone Special at San Antonio Regional Hospital

Honor and remember a loved one at the hospital by putting their name on a bench or a tile. There are a number of benches and three sizes of tiles available around the hospital. You'll be doing something special for someone you care about, while helping the hospital at the same time.

Tiles start at $2,500 and Benches are $10,000, and you can pay the commitment off over 3 to 5 years with a pledge. There are a limited number of benches, so don't wait.

For more information please call the Foundation at 909.920.4962.

"I honored my Dad by putting his name on a bench outside the Scheu Building. I captured my Dad's personality, his name, and that he served our country. It's a special place for me to visit."
