SAN ANTONIO REGIONAL HOSPITAL

~ January 2024 CME Presentations ~

Thursday, January 11th
12:15 pm
Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Practice-Based Learning & Improvement, and Systems-Based Practice.

1.0 ABIM MOC Credit Offered

"SPECIALTY WOUND CARE AND HYPERBARIC MEDICINE"

Gurpreet Dhillon, M.D., Ph.D. – *Medical Director, Advantage Surgical & Wound Care, El Segundo, CA and Orange County Wound & Hyperbaric, Santa Ana, CA*

Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- Identify and consider the indications, contraindications, and efficacy of hyperbaric medicine
- Recognize and follow current protocols for the treatment and management of different types of chronic wounds such as diabetic ulcers, pressure ulcers, vascular and arterial ulcers
- Follow up-to-date, evidence-based information relating to chronic ulcers
- Utilize specific diagnostic tests related to wound assessment
- Identify factors that may impair healing
- Recognize patients at greater risk for wound complications and impaired wound healing, taking into consideration the patient's age, ethnicity, socioeconomics, etc.
- Reflect on the patient populations most affected by wound complications/the need for additional wound care, and consider how implicit bias may impact appropriate care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation, Lecture with Q&A, and Feedback Provided to Learners via Q&A Period. The activity content is geared toward Primary Care Physicians, Internal Medicine Physicians, Endocrinologists, and ER Physicians, but all physician specialties are welcome to attend.

Thursday, January 25th
12:15 pm
Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Practice-Based Learning & Improvement, and Systems-Based Practice.

1.0 ABA MOC Credit & 1.0 ABIM MOC Credit Offered

"CARING FOR THE HOSPITALIZED OPIOID-DEPENDENT PATIENT"

Tipu V. Khan, M.D., FAAFP, FASAM – *Chief of Addiction Medicine, Fellowship Director, and Faculty and Director of Scholarly Activity and Research, Ventura County Medical Center, Ventura, CA*

Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- Identify when a patient needs to be weaned from narcotic drugs
- Create a safe, appropriate plan for tolerance/weaning
- Utilize appropriate drug choices for tolerance/weaning
- Accurately determine when a patient needs referral for drug treatment outside of the hospital
- Consider ethnic, cultural, and societal issues surrounding the use of opioids, tolerance, and addiction and address these issues appropriately
- Reflect on the patient populations most affected and consider how implicit bias may impact appropriate care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation, Lecture with Q&A, and Feedback Provided to Learners via Q&A Period. The activity content is geared toward all physician specialties.

San Antonio Regional Hospital is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

San Antonio Regional Hospital designates each live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity contributes to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

In accordance with the Americans with Disabilities Act (ADA), please call the Medical Staff Office at (909) 920-4945 should you require special assistance.
