

A PLACE OF HONOR

As a member of the Living Legacy Society, your name appears with that of your peers on a special plaque in the hospital lobby.

You will receive a personal Certificate of Membership in the Living Legacy Society to display in your home or office.

You will be introduced at our Annual President's Dinner where we honor outstanding citizens in our community.

THE FRANCES MARY PAUL CIRCLE

What will you be remembered for?

Members of the Frances Mary Paul Circle have given \$10,000 or more to the hospital in their lifetime.

LIVING LEGACY SOCIETY

What will your legacy be?

Members of the Living Legacy Society have left a gift to the hospital through estate planning.

A legacy can be a gift of appreciated assets, real estate, life insurance, or a bequest.

LIVING LEGACY SOCIETY

What will your legacy be?

"My cousin, Ina Hammel Roloff, was passionately enthusiastic about San Antonio Community Hospital. As the executor of her will, I handled the \$5,000 bequest my cousin made to the hospital. Because I've always considered San Antonio the finest hospital in the area, and because I want it to endure through the ages, I have arranged my own bequest to the hospital. I consider this aspect of my estate planning as one of the better investments I've ever made."
- Mrs. Glenn C. Moore

San Antonio Community Hospital has always been a big part of my life. It is so important to me to have an exceptional medical facility close to my home. I can't imagine going anywhere else for healthcare. Anyone who, like me, wants to make sure that quality healthcare is available for generations to come, should consider leaving a bequest in their will for San Antonio Community Hospital as I did. - Jan Swann

The heart of a city is its infrastructure – schools, police and fire protection, and its hospital. We are fortunate here in the Inland Valley to be blessed with an outstanding medical facility – San Antonio Community Hospital. Marian and I have lived here for over 35 years; our children and grandchildren live here. It was important to us to ensure the infrastructure of the future for our family. We decided the best way to do this would be to leave a legacy to our children by leaving a legacy to our hospital. - Lloyd & Marian Michael

SAN ANTONIO HOSPITAL FOUNDATION INVITES YOU TO PARTICIPATE IN THE LIVING LEGACY SOCIETY.

Please let us know of your interest.
