

# Chaplains Corner

## Hospital Week 2024

During Hospital Week (May 12-18), the Spiritual Care Department would like to take this opportunity to thank all of our wonderful colleagues for the love, care and dedication they bring to our community every day. To show our appreciation, our Interfaith Chaplains will be traveling throughout the San Antonio Regional Hospital family to provide Blessing of the Hands and Tea for the Soul for all of the staff members who wish to participate. Here are the days and hours that we will be serving your department:

**Tuesday 8:00 AM-4:00 PM:** San Antonio Regional Hospital (All floors, units and departments)

**Wednesday 8:00 AM-4:00 PM:** 901, 1100, Business Office, Urgent Care Ontario and the Rancho, Sierra and Eastvale Medical Plazas

**Thursday 11:30 PM – 2:30 AM:** San Antonio Regional Hospital (Clinical units)

Thank you for all that you do every single day to improve the health of our patients, the experience of their family members, to support your colleagues and to make San Antonio

Regional Hospital an amazing place to work or receive care. We look forward to serving you!

Blessings,

**Rev. Alexander J. Aaron, M.Div, BCC**
