

SAN ANTONIO REGIONAL HOSPITAL
~ April 2022 CME Presentations ~

Thursday, April 14th
12:15 pm
Presentation via Zoom

“OPIOID STEWARDSHIP”

Aimee Moulin, M.D. – Director/Co-Director/Co-Principal Investigator, CA Bridge, Oakland, CA; Associate Professor, Department of Emergency Medicine, University of California, Davis, Sacramento, CA

Christine Bailey, MSN, RN, CSSGB – Executive Director, Health Service Advisory Group, Inc.

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Interpersonal & Communication Skills, Practice-Based Learning & Improvement, and Systems-Based Practice.

1.0 ABA MOC Credit, 1.0 ABIM MOC Credit, 1.0 ABPath MOC Credit Offered

Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Identify and follow key performance indicators for opioid safety
- ❖ Recognize, assess, and manage acute and chronic pain
- ❖ Identify when non-opioid medications and non-pharmacological options would be the best course of treatment
- ❖ Utilize communication techniques to manage pain expectations
- ❖ Identify when Medical Assisted Therapies (MAT) should be used as a treatment option in opioid abuse
- ❖ Consider cultural and societal issues, as well as biases, surrounding the use of opioids in managing acute and chronic pain

The presentational methods for this activity are Lecture with Q&A and Feedback Provided to Learners via Q&A Period. The activity content is geared toward Primary Care Physicians, Internal Medicine and Hospitalists, Surgeons, Emergency Physicians, but all physician specialties are welcome to attend. Pharmacists and Nursing Staff are also welcomed to attend.

Thursday, April 28th
12:15 pm
Presentation via Zoom

“VECTOR BORNE ILLNESS”

Karen Guiang, M.D. – Specializing in Infectious Disease, Foothill Infectious Disease Medical Group, Claremont, CA; On-Staff at San Antonio Regional Hospital

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, and Practice-Based Learning & Improvement.

1.0 ABIM MOC Credit, 1.0 ABPath MOC Credit, 1.0 ABP MOC Credit Offered

Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Identify symptoms of common vector-borne illnesses and diagnose timely
- ❖ Follow recommendations for treatment and disease control
- ❖ Follow the indications and summarize the efficacy and pros/cons of “The Bug Bite Thing”
- ❖ Integrate new therapeutic options into practice and patient care when deemed an appropriate treatment option
- ❖ Recognize the symptoms of rarer vector-borne illness, such as Eastern equine encephalitis (EEE)
- ❖ Screen at risk patient groups appropriately who may have been exposed to EEE
- ❖ Reflect on the patient populations most affected by vector-borne illness and consider how implicit bias may impact appropriate care of these patients.

The presentational methods for this activity are Case Presentation with Learner Participation, Lecture with Q&A, and Feedback provide to Learners via Q&A Period. The activity content is geared toward Primary Care, Family Medicine, and Internal Medicine Physicians, and Infectious Disease Physicians, but all physician specialties are welcome to attend.

San Antonio Regional Hospital is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

San Antonio Regional Hospital designates each live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity contributes to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of this CME activity enables the participant to earn up to 1.0 Lifelong Learning (CME) MOC points in the American Board of Pathology's (ABPath) Maintenance of Certification (MOC) program.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 1.0 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

In accordance with the Americans with Disabilities Act (ADA), please call the Medical Staff Office at (909) 920-4945 should you require special assistance.
