

# SAN ANTONIO REGIONAL HOSPITAL

~ March 2024 CME Presentations ~

Thursday, March 14<sup>th</sup>

12:15 pm

Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Practice-Based Learning & Improvement, and Systems-Based Practice.

1.0 ABIM MOC Credit & 1.0 ABPath MOC Credit Offered

## “C. DIFFICILE INFECTION”

**Sohan Bassi, M.D.** – Specializing in Infectious Diseases/Internal Medicine, Chairman, Infection Control Committee and Former President of Medical Staff, San Antonio Regional Hospital, Upland, CA; Chairman, Infection Control Committee, Foothill Presbyterian Hospital, Glendora, CA; Member, Infectious Disease Society of America (IDSA)

### Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Decrease infections by prescribing antibiotics according to current recommended guidelines
- ❖ Employ appropriate treatment and management strategies
- ❖ Follow the indications for fecal transplantation, and refer patients when indicated
- ❖ Identify patient populations at higher risk for infection, such as the elderly and immunocompromised patient
- ❖ Reflect on the patient populations most affected by C. difficile and consider how implicit bias may impact appropriate care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation, Lecture with Q&A, and Feedback Provided to Learners During Q&A Period. The activity content is geared toward Gastroenterologists, Family Medicine Physicians, Primary Care Physicians, and Emergency Medicine Physicians, but all physician specialties are welcome to attend.

Thursday, March 28<sup>th</sup>

12:15 pm

Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Practice-Based Learning & Improvement, and Systems-Based Practice.

1.0 ABPath MOC Credit & 1.0 ABS MOC Credit Offered

## “OVARIAN HEALTH – MINIMALLY INVASIVE TREATMENT OPTIONS AND CONSIDERATIONS”

**Brenna Sommer, D.O.** – Obstetrics & Gynecology Specialist, Care for Women’s Medical Group, Upland, CA

### Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Follow current guidelines, indications, and contraindications when considering hysterectomy and/or oophorectomy
- ❖ Consider the impact of ovary removal on the future gynecologic and reproductive health of female patients
- ❖ Educate patients on the alternatives, risks, and potential benefits to ovary removal prior to referral
- ❖ Reflect on the patient populations most affected by poor ovarian health and consider how implicit bias may impact appropriate care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation, Lecture with Q&A, and Feedback Provided to Learners During Q&A Period. The activity content is geared toward Primary Care Physicians, OB/GYNs, and Gynecologic/Reproductive Surgeons, but all physician specialties are welcome to attend.

San Antonio Regional Hospital is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

San Antonio Regional Hospital designates each live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 Medical Knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of this CME activity enables the participant to earn up to 1.0 Lifelong Learning (CME) MOC points in the American Board of Pathology’s (ABPath) Maintenance of Certification (MOC) program.

Successful completion of this CME activity enables the learner to earn credit toward the CME requirements of the American Board of Surgery’s Continuous Certification program. It is the CME activity provider’s responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

In accordance with the Americans with Disabilities Act (ADA), please call the Medical Staff Office at (909) 920-4945 should you require special assistance.
